

## Sparkling Wine

### *Effet Bulles\* – Rosé*

*Is the result of a collaborative work between the Leucate winery located in Piedmont region and the Rocca Maura cellar, in our constant search for new products.*

#### **Blend**

This sparkling wine is made with Muscat Petit Grains.

#### **Terroir**

Rich in clay and limestone soil , where the wines draw all their delicacy and freshness.

#### **Winemaking**

The grapes are directly pressed ; must racking and fermentation at low temperature. The partially fermented must is then treated in a closed tank in order to get the sparkling effect.

#### **Tasting Notes**

- Colour : pale, shiny, lightly pinkish.
- Aroma : intense, floral, exotic, lychee.
- Palate : sweetish, full. The bubbles are fine and elegant, notes of exotic fruits( mango, lychee, passion fruit) . Strawberry in the final.

#### **Food Pairing**

Enjoy it for aperitif, but it also perfectly matches with a pastry or any other dessert.

#### **Serving Temperature**

6-8°C

#### **Cellar potential**

Enjoy directly.
