

## Indication Géographique Protégée Gard

### *Black Grenache – Red*

#### **Blend**

This red wine is made with grapes selected within our best Grenache plots and harvested at full maturity.

#### **Terroir**

The vines grow on clay and limestone soils.

#### **Winemaking**

Single varietal wine made with 100% Grenache. Thermo-regulated fermentation, followed by a three week maceration with regular pumping over. Aged in tanks. Light filtration before bottling.

#### **Tasting Notes**

- Colour : purple red.
- Aroma : crushed strawberry.
- Palate : the attack is round. Freshness. The finish is supple and long, red currants and other red fruits.

#### **Food Pairing**

Will suit well with a barbecue.

#### **Serving Temperature**

14-15°C

#### **Cellar Potential**

Best drunk within the 3 years.
